and Development

In cooperation with:

The **AIM OF THE MEETING** is to introduce the participants with the **Objective** of the project - Supporting cities' resilience during the COVID-19 pandemic by providing capacity-building activities in the direction of Crisis management and introduce the road map ahead of the next 3 month.

The Agenda for the meeting is as follows:

1. Introduction of the facilitators and core team, followed by:
2. Objectives and aims of the project
3. Introduction of the cities
4. Presentation of the actions and its aims
5. **First presentation of findings so far** – *if we do not have the latest updates - interview notes and cases we need to omit this part then and transfer to the first workshop*
6. Question for further (background) info

For reaching this objective a working group is formatted with the following primary aims:

1. identification of crisis management, resilience and Covid-19 response challenges,
2. analysis and definition of the challenges based on experiences, knowledge transfer and international discussion,
3. prioritisation and solutions scan, assessment of resources, and
4. development of a programme with projects (actions).

Secondary aims for the working group are:

1. network building for future challenges and
2. create input for long-term strategic planning
