Gender equality work in Umeå

Overall goal: Create conditions for women and men to have equal power to shape society and their own lives

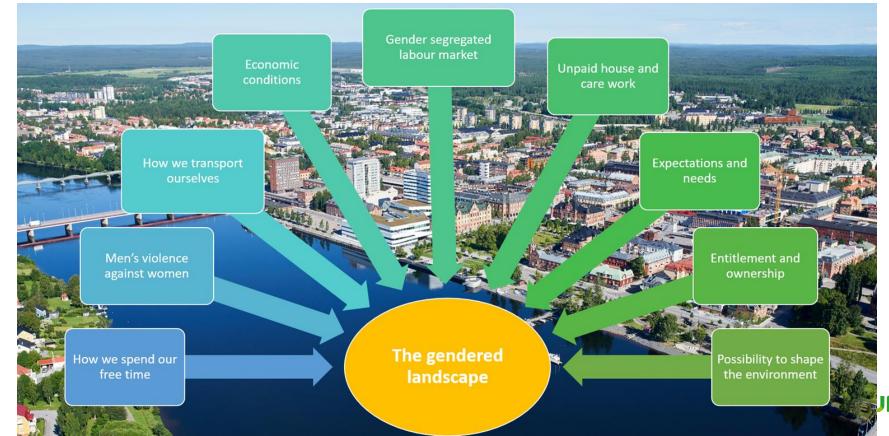

- Gender equality committee
- Strategy for gender equality work
- 30 years of strategic work with gender equality – in the political structure and the city

administration

Women and men **use** public space in different ways and **feel** different about public space because of:

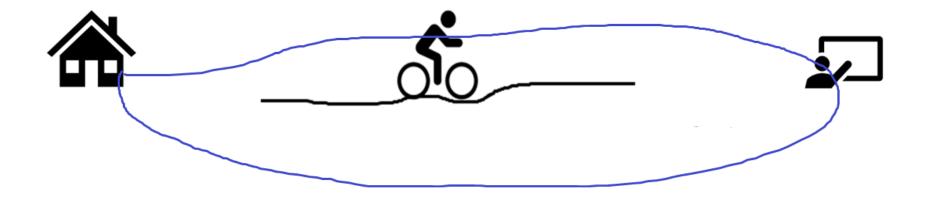

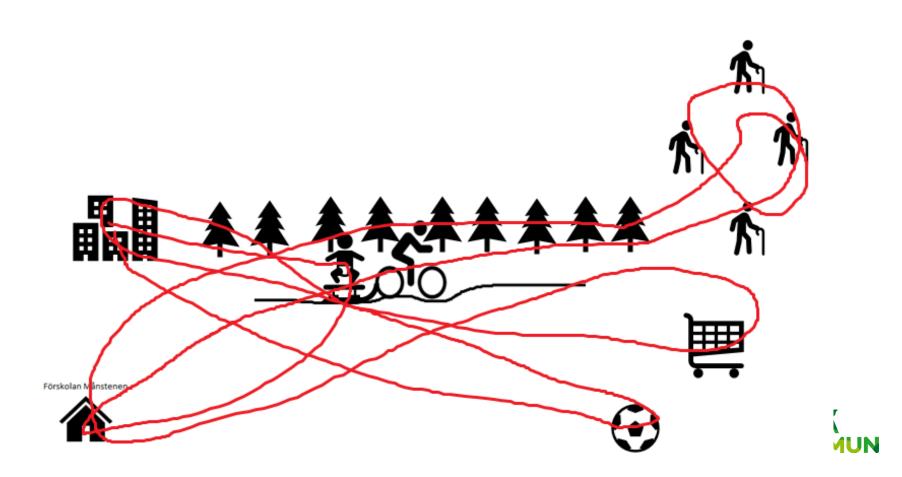

Travel habit surveyplanning mobilityand infrastructure

56% womens travel sustainable 42% mens travel sustainable

More efficient to electrify buses or get men to take the bus?

Planning a tunnel with a gender perspective

How and where do we access public transport?

What does the gendered landscape look like in your city?
