Commissioned by

Federal Ministry
for Economic Cooperation
and Development

Connective Cities

Southeast Europe (SEE)

2-4 November

Agenda (all times in CET, breaks included)

Goal:

Exchange of municipal expertise on how effective energy efficiency and renewable energy strategy could be implemented in the Southeast European region through a facilitated peer-to-peer consultation. See the detailed [Concept Note](#) of the event on the indicated link.

Mode of Work:

Webinars with obligatory participation times supported by the [Connective Cities Platform](#) and self-organized work up to 1 hour/day.

Virtual Platform:

BigBlueButton (BBB) (all sessions)

Please use the latest version of Chrome, Firefox or Safari
(Microsoft Edge – limited access)

The platform will open 9.45 a.m. CET. It is recommended to log in at least 10 min before the conference starts.

Language:

English & Russian (simultaneous)
