

How to join a Connective Cities event as a guest in the Connective Cities Community

1. Click on the link of the event: <https://community.connective-cities.net/en/node/1464>
2. Click on the „ENROL TO JOIN MEETING“ -button

3. If you want to join as a guest (no Connective Cities account) click the „ENROL AS GUEST“ -button

4. Fill out the form with your personal information and click on „ENROL IN EVENT“

The screenshot shows the enrollment form with fields for Country, Organisation / Municipality, First name, Last name, and Email address. A checkbox for "I agree with the data policy" is present. A green box highlights the "Enrol in event" button, with an arrow pointing to a larger blue box labeled "Enrol in event".

5. You will then receive an E-Mail with the link to the event and can also see the „JOIN MEETING“ -button shortly before the event starts on the platform

The event provides an opportunity to establish contacts between Ukrainian as well as with German municipalities. Relevant examples of municipal resilience strategies will be presented but above all, this session aims to provide an overview of common challenges and needs and will also lay the ground for further cooperations. We are going to work demand oriented and think about the learning and exchange formats which will serve your communities' needs best.
